

**KIYA AND HER CHILDREN**  
*Rise of the Titans*

For two hundred thousand years hunters hunter, gatherers gathered, they sometimes mated. Then they became civilized and things went to hell. This is why and how it happened.

The third book in the epic series  
*The Beginning of Civilization, A Possible Fantasy.*

**SYNOPSIS :** This is the story of why Kiya and her children were banished from the Clan of the Serpent to become untouchable Titans and wander the land without hope or sustenance -- of how the Titans, with love and humanity, overcame all obstacles and created a flourishing civilization which they joyfully shared with all -- of the price they paid.

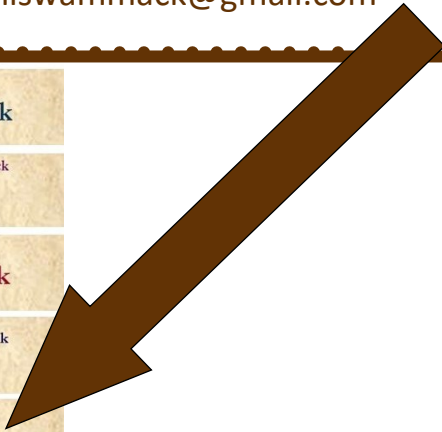

**PREMISE:** Greek mythology tells of Titans, Olympians, Oceanids, and Giants -- of Olympus and Tartarus -- of conflict and war. Stripped of hyperbole, spin, and exaggerations, it is all true. It is the story of *Kiya and her children.*
