

DIONYSUS AND HESTIA
Rise and Fall of the Olympians

For two hundred thousand years hunters hunter, gatherers gathered, they sometimes mated. Then they became civilized and things went to hell. This is why and how it happened.

The third book in the epic series
The Beginning of Civilization, A Possible Fantasy.

SYNOPSIS : Dionysus does the best he can to alleviate the damage inflicted upon the world by the "we-want-it-all" Olympians led by Hestia, oldest child of Chronos and Rhea. The very survival of civilization is tested. This is a story of where we went wrong and why we are the way we are.

PREMISE: Greek mythology tells of the conflict between the Titans and Olympians. Plato tells of Atlantis and its greatness. All traditions tell of the great flood. Throw in the Tower of Babel, the certainty that the Mediterranean fills and empties periodically, connect a few dots, and there you have it -- *Dionysus and Hestia, Rise and Fall of the Olympians.*

ABOUT THE AUTHOR
 Dennis Wammack,
 Alabama born and bred.
 All the pride.
 All the baggage.
 All the guilt.
 Quote: "Love one another."
 Even people you don't like."
